Attachment 4 MASTER AGREEMENT

Attachment A: RFXPremier Master Agreement Terms and Conditions

I. Definitions

- 1.1 **Acceptance** is defined by the applicable commercial code, except Acceptance shall not occur before the completion of delivery in accordance with the Order, installation if required, and a reasonable time for inspection of the Product.
- 1.2 **Contractor** means a party to this Master Agreement, whether a person or entity, that delivers goods or performs services under the terms set forth in this Master Agreement.
- 1.3 **Embedded Software** means one or more software applications which permanently reside on a computing device.
- 1.4 **Intellectual Property** means any and all patents, copyrights, service marks, trademarks, trade secrets, trade names, patentable inventions, or other similar proprietary rights, in tangible or intangible form, and all rights, title, and interest therein.
- 1.5 **Lead Entity** means the agency centrally administering any resulting Master Agreement(s).
- 1.6 **Master Agreement** means the underlying agreement executed by and between the Lead Entity, acting in cooperation with RFXPremier Program, and the Contractor, as now or hereafter amended.
- 1.7 **RFXPremier** is a division of the National Association of State Procurement Officials ("NASPO"), a 501(c)(3) limited liability company. RFXPremier facilitates administration of the NASPO cooperative group contracting consortium of state chief procurement officials for the benefit of state departments, institutions, agencies, and political subdivisions and other eligible entities (i.e., colleges, school districts, counties, cities, some nonprofit organizations, etc.) for all states, the District of Columbia, and territories of the United States. RFXPremier is identified in the Master Agreement as the recipient of reports and may perform contract administration functions relating to collecting and receiving reports, as well as other contract administration functions as assigned by the Lead State.
- 1.8 **Order or Purchase Order** means any purchase order, sales order, contract or other document used by a Purchasing Entity to order the Products.
- 1.9 **Participating Addendum** means a bilateral agreement executed by a Contractor and a Participating Entity incorporating this Master Agreement and any additional Participating Entity-specific language or other requirements (e.g., ordering procedures specific to the Participating Entity, entity-specific terms and conditions, etc.).
- 1.10 **Participating Entity** means a state (as well as the District of Columbia and US territories), city, county, district, other political subdivision of a State, or a nonprofit organization under the laws of some states properly authorized to enter into a Participating Addendum, that has executed a Participating Addendum.
- 1.11 **Participating State** means a state that has executed a Participating Addendum or has indicated an intent to execute a Participating Addendum.
- 1.12 **Product or Products and Services** means any equipment, software (including embedded software), documentation, service, or other deliverable supplied or created by the Contractor pursuant to this Master Agreement. The term Product includes goods and services.
- 1.13 **Purchasing Entity** means a state (as well as the District of Columbia and US territories), city, county, district, other political subdivision of a State, or a nonprofit organization under the laws of some states if authorized by a Participating Addendum, that issues a Purchase Order against the Master Agreement and becomes financially committed to the purchase.

II. Master Agreement Order of Precedence

- 2.1 **Initial Term.** The initial term of this Master Agreement is for two (2) years. The term of this Master Agreement may be amended beyond the initial term for three (3) additional one-year periods at the Lead Entity's discretion and by mutual agreement and upon review of requirements of Participating Entities, current market conditions, and Contractor performance. The Lead Entity

may, prior to execution, adjust the effective date or duration of the initial term or renewal period of any Master Agreement for the purpose of making the Master Agreement coterminous with others.

- 2.2 Amendment Limitations.** The terms of this Master Agreement will not be waived, altered, modified, supplemented, or amended in any manner whatsoever without prior written agreement of the Lead State and Contractor.
- 2.3 Amendment Term.** The term of the Master Agreement may be amended past the initial term and stated renewal periods for a reasonable period of time, not to exceed six (6) months, if in the judgment of the Lead Entity a follow-on competitive procurement will be unavoidably delayed (despite good faith efforts) beyond the planned date of execution of the follow-on master agreement. This subsection will not be deemed to limit the authority of a Lead Entity under its state law to otherwise negotiate contract extensions.

III. Master Agreement Order of Precedence

- 3.1 Order.** Any Order placed under this Master Agreement will consist of the following documents:
 - 3.1.1** A Participating Entity's Participating Addendum ("PA");
 - 3.1.2** RFXPremier Master Agreement, including all attachments thereto;
 - 3.1.3** Statement of Work;
 - 3.1.4** Schedules and Attachments expressly incorporated into this contract;
 - 3.1.5** The Solicitation or, if separately executed after award, the Lead Entity's bilateral agreement that integrates applicable provisions;
 - 3.1.6** Contractor's response to the Solicitation, as revised (if permitted) and accepted by the Lead State.
- 3.2 Conflict.** These documents will be read to be consistent and complementary. Any conflict among these documents will be resolved by giving priority to these documents in the order listed above. Contractor terms and conditions that apply to this Master Agreement are only those that are expressly accepted by the Lead State and must be in writing and attached to this Master Agreement as an Exhibit or Attachment. No terms on either party's Purchase Orders, Invoices, Ordering Documents, Website, Browse-Wrap, Shrink-Wrap, Click-Wrap, Clickthrough, or other Non-Negotiated Terms and Conditions provided with any contract activities will constitute a part or amendment of this Agreement or is binding for any purpose. All such other Terms and Conditions have no force and effect and are deemed rejected, even if access to or use of the contract activities requires affirmative acceptance of such Terms and Conditions.
- 3.3 Participating Addenda.** Participating Addenda will not be construed to diminish, modify, or otherwise derogate any provisions in this Master Agreement between the Lead State and Contractor. Participating Addenda will not include a term of agreement that exceeds the term of the Master Agreement.

IV. Participants and Scope

- 4.1 Requirement for a Participating Addendum.** Contractor may not deliver Products under this Master Agreement until a Participating Addendum acceptable to the Participating Entity and Contractor is executed.

- 4.2 Applicability of Master Agreement.** The RFXPremier Master Agreement Terms and Conditions are applicable to any Order by a Participating Entity (and other Purchasing Entities covered by their Participating Addendum), except to the extent altered, modified, supplemented or amended by a Participating Addendum. By way of illustration and not limitation, this authority may apply to unique delivery and invoicing requirements, confidentiality requirements, defaults on Orders, governing law and venue relating to Orders by a Participating Entity, indemnification, and insurance requirements. Statutory or constitutional requirements relating to availability of funds may require specific language in some Participating Addenda in order to comply with applicable law. The expectation is that these alterations, modifications, supplements, or amendments will be addressed in the Participating Addendum or, with the consent of the Purchasing Entity and Contractor, may be included in the ordering document (e.g. purchase order or contract) used by the Purchasing Entity to place the Order.
- 4.3 Authorized Use.** Use of specific RFXPremier cooperative Master Agreements by state agencies, political subdivisions and other Participating Entities (including cooperatives) authorized by individual state's statutes to use state contracts are subject to the approval of the respective State Chief Procurement Official. Issues of interpretation and eligibility for participation are solely within the authority of the respective State Chief Procurement Official.
- 4.4 Obligated Entities.** Obligations under this Master Agreement are limited to those Participating Entities who have signed a Participating Addendum and Purchasing Entities within the scope of those Participating Addenda. States or other entities permitted to participate may use an informal competitive process to determine which Master Agreements to participate in through execution of a Participating Addendum. Financial obligations of Participating Entities who are states are limited to the orders placed by the departments or other state agencies and institutions having available funds. Participating Entities who are states incur no financial obligations on behalf of other Purchasing Entities.
- 4.5 Notice of Participating Addendum.** Contractor shall email a fully executed PDF copy of each Participating Addendum to PA@naspovaluepoint.org to support documentation of participation and posting in appropriate data bases.
- 4.6 RFXPremier.** RFXPremier is not a party to the Master Agreement. It is a nonprofit cooperative purchasing organization assisting states in administering the NASPO cooperative purchasing program for state government departments, institutions, agencies and political subdivisions (e.g., colleges, school districts, counties, cities, etc.) for all 50 states, the District of Columbia and the territories of the United States.
- 4.7 Participating Entity.** Participating Entities who are not states may under some circumstances sign their own Participating Addendum, subject to the consent to participation by the Chief Procurement Official of the state where the Participating Entity is located. Coordinate requests for such participation through RFXPremier. Any permission to participate through execution of a Participating Addendum is not a determination that procurement authority exists in the Participating Entity; they must ensure that they have the requisite procurement authority to execute a Participating Addendum.
- 4.8 Resale.** "Resale" means any payment in exchange for transfer of tangible goods, software, or assignment of the right to services. Subject to any specific conditions included in the solicitation or Contractor's proposal as accepted by the Lead State, or as explicitly permitted in a Participating Addendum, Purchasing Entities may not resell Products (the definition of which includes services that are deliverables). Absent any such condition or explicit permission, this limitation does not prohibit payments by employees of a Purchasing Entity for Products; sales of Products to the general public as surplus property; and fees associated with inventory transactions with other governmental or nonprofit entities and consistent with a Purchasing

Entity's laws and regulations. Any sale or transfer permitted by this subsection must be consistent with license rights granted for use of intellectual property.

- 4.9 Individual Customers.** Except as may otherwise be agreed to by the Purchasing Entity and Contractor, each Purchasing Entity shall follow the terms and conditions of the Master Agreement and applicable Participating Addendum and will have the same rights and responsibilities for their purchases as the Lead State has in the Master Agreement and as the Participating Entity has in the Participating Addendum, including but not limited to any indemnity or right to recover any costs as such right is defined in the Master Agreement and applicable Participating Addendum for their purchases. Each Purchasing Entity will be responsible for its own charges, fees, and liabilities. The Contractor will apply the charges and invoice each Purchasing Entity individually.

V. RFXPremier Provisions

5.1 Administrative Fees

5.1.1 RFXPremier Fee. Contractor shall pay to NASPO ValuePoint, or its assignee, a RFXPremier Administrative Fee of one percent (1.00%) no later than sixty (60) days following the end of each calendar quarter. The RFXPremier Administrative Fee shall be submitted quarterly and is based on all sales of products and services under the Master Agreement (less any charges for taxes or shipping). The RFXPremier Administrative Fee is not negotiable. This fee is to be included as part of the pricing submitted with a vendor's response to the Lead Entity's solicitation.

5.1.2 Participating Entity Imposed Fees. Some Entity's may require an additional fee be paid directly to the Entity only on purchases made by Purchasing Entities within that state. For all such requests, the fee level, payment method and schedule for such reports and payments will be incorporated into the Participating Addendum that is made a part of the Master Agreement. The Contractor may adjust the Master Agreement pricing accordingly for purchases made by Purchasing Entities within the jurisdiction of the state. All such agreements shall not affect the RFXPremier Administrative Fee percentage, or the prices paid by the Purchasing Entities outside the jurisdiction of the state requesting the additional fee. The RFXPremier Administrative Fee in subsection 6a shall be based on the gross amount of all sales (less any charges for taxes or shipping) at the adjusted prices (if any) in Participating Addenda.

5.2 RFXPremier Summary and Detailed Usage Reports

5.2.1 Sales Data Reporting. In accordance with this section Contractor shall also report detailed sales data by: (1) state; (2) entity/customer type, e.g. local government, higher education, K12, non-profit; (3) Purchasing Entity name; (4) Purchasing Entity bill-to and ship-to locations; (4) Purchasing Entity and Contractor Purchase Order identifier/number(s); (5) Purchase Order Type (e.g. sales order, credit, return, upgrade, determined by industry practices); (6) Purchase Order date; (7) Ship Date; (8) and line item description, including (if applicable) pricing for each: chassis, body/equipment item, and installation by product number if used. The report shall be submitted in any form required by the solicitation. Reports are due on a quarterly basis and must be received by the Lead Entity and RFXPremier Cooperative Development Team no later than thirty (30) days after the end of the reporting period. Reports shall be delivered to the Lead Entity and to the RFXPremier Cooperative Development Team electronically through a designated portal, email, CD-ROM, flash drive or other method as determined by the Lead Entity and RFXPremier. Detailed sales data reports shall include sales information for all sales under Participating Addenda executed under this Master Agreement. Report data for employees should be limited to ONLY the state and entity they are participating under the authority of (state and agency, city, county, school district, etc.) and the amount of sales. No personal identification numbers, e.g. names, addresses, social security numbers or any other numerical identifier, may be submitted with any report.

5.2.3 Executive Summary. Contractor shall provide the RFXPremier Cooperative Development Coordinator with an executive summary each quarter that includes, at a minimum, a list of states with an active Participating Addendum, states that Contractor is in negotiations with and any Participating Addendum roll out or implementation activities and issues. RFXPremier Cooperative Development Coordinator and Contractor will determine the format and content of the executive summary. The executive summary is due thirty (30) days after the conclusion of each calendar quarter.

5.2.4 Timely Submission. Timely submission of these reports is a material requirement of the Master Agreement. The recipient of the reports shall have exclusive ownership of the media containing the reports. The Lead Entity and RFXPremier shall have a perpetual, irrevocable, non-exclusive, royalty free, transferable right to display, modify, copy, and otherwise use reports, data and information provided under this section.

5.3 RFXPremier Cooperative Program Marketing, Training, and Performance Review

5.3.1 Staff Education. Contractor agrees to work cooperatively with RFXPremier personnel. Contractor agrees to present plans to RFXPremier for the education of Contractor's contract administrator(s) and sales/marketing workforce regarding the Master Agreement contract, including the competitive nature of RFXPremier procurements, the Master agreement and participating addendum process, and the manner in which qualifying entities can participate in the Master Agreement.

5.3.2 Onboarding Plan. Contractor agrees, as Participating Addendums become executed, if requested by ValuePoint personnel to provide plans to launch the program within the participating state. Plans will include time frames to launch the agreement and confirmation that the Contractor's website has been updated to properly reflect the contract offer as available in the participating state.

5.3.3 Annual Contract Performance Review. Contractor agrees to participate in an annual contract performance review at a location selected by the Lead Entity and NASPO ValuePoint, which may include a discussion of marketing action plans, target strategies, marketing materials, as well as Contractor reporting and timeliness of payment of administration fees.

5.3.4 Use of RFXPremier Logo. Contractor acknowledges that the RFXPremier logos may not be used by Contractor in sales and marketing until a logo use agreement is executed with NASPO ValuePoint.

5.3.5 Obligation to Act in Good Faith. The parties acknowledge that this Master Agreement and its terms and pricing have been negotiated for the benefit of the parties, RFXPremier, Participating Entities, and Purchasing Entities. Apart from a Participating Addendum or Order, Contractor shall not intentionally induce a potential Participating Entity or Purchasing Entity to enter into a separate agreement, the pricing and terms of which are derived from this Master Agreement, for the purpose of avoiding compliance with Contractor's obligations under Section V. Nothing in this Section 5.3.5 shall prohibit Contractor from contracting with an entity with substantially similar pricing and terms if

such pricing and terms are independently negotiated with the entity or are consistent with pricing and terms ordinarily offered by Contractor to public sector customers..

- 5.3.6 Cancellation.** The Lead Entity expects to evaluate the utilization of the Master Agreement at the annual performance review. Lead Entity may, in its discretion, cancel the Master Agreement pursuant to section 28, or not exercise an option to renew, when Contractor utilization does not warrant further administration of the Master Agreement. The Lead Entity may exercise its right to not renew the Master Agreement if vendor fails to record or report revenue for three consecutive quarters, upon 60-calendar day written notice to the Contractor. Cancellation based on nonuse or under-utilization will not occur sooner than two years after award (or execution if later) of the Master Agreement. This subsection does not limit the discretionary right of either the Lead Entity or Contractor to cancel the Master Agreement pursuant to section 28 or to terminate for default pursuant to section 30.
- 5.3.7 Right to Publish.** Throughout the duration of this Master Agreement, Contractor must secure from the Lead Entity prior approval for the release of information that pertains to the potential work or activities covered by the Master Agreement. This limitation does not preclude publication about the award of the Master Agreement or marketing activities consistent with any proposed and accepted marketing plan. The Contractor shall not make any representations of NASPO ValuePoint's opinion or position as to the quality or effectiveness of the services that are the subject of this Master Agreement without prior written consent. Failure to adhere to this requirement may result in termination of the Master Agreement for cause.

VI. Pricing, Rate Guarantee Period, and Payment.

- 6.1 Pricing.** The prices contained in this Master Agreement or offered under this Master Agreement represent the not-to-exceed price to any Purchasing Entity. Unless otherwise noted in a product description, Client understands and acknowledges that the Services reflected herein may incur additional fees in accordance with the then-current Fee Schedule (available upon request and subject to change), including, without limitation, court access fees, employment/education third party database costs, out of network drug testing fees, and state Department of Motor Vehicle fees ("Fees"). Fees, if any, will be included on monthly invoices and are subject to change without notice.
- 6.1.1** All prices and rates must be guaranteed for the initial term of the Master Agreement.
- 6.1.2** Following the initial term of the Master Agreement, any request for a price or rate adjustment must be for an equal guarantee period and must be made at sixty (60) days prior to the effective date.

After 45 days the Contractor may assess overdue account charges up to a maximum rate of one percent per month on the outstanding balance, unless a different late payment amount is specified in a Participating Addendum, Order, or otherwise prescribed by applicable law. Payments will be remitted by mail. Payments may be made via a State or political subdivision "Purchasing Card" with no additional charge.

6.3 Leasing or Alternative Financing Methods. The procurement and other applicable laws of some Purchasing Entities may permit the use of leasing or alternative financing methods for the acquisition of Products under this Master Agreement. Where the terms and conditions are not otherwise prescribed in an applicable Participating Addendum, the terms and conditions for leasing or alternative financing methods are subject to negotiation between the Contractor and Purchasing Entity.

VII. Ordering

- 7.1 Order Numbers.** Master Agreement order and purchase order numbers must be clearly shown on all acknowledgments, packing slips, invoices, and on all correspondence.
- 7.2 Quotes.** Purchasing Entities may define entity-specific or project-specific requirements and informally compete the requirement among companies having a Master Agreement on an "as needed" basis. This procedure may also be used when requirements are aggregated or other firm commitments may be made to achieve reductions in pricing. This procedure may be modified in Participating Addenda and adapted to the Purchasing Entity's rules and policies. The Purchasing Entity may in its sole discretion determine which Master Agreement Contractors should be solicited for a quote. The Purchasing Entity may select the quote that it considers most advantageous, cost, and other factors considered.

Contractor is expected to become familiar with the Purchasing Entities' rules, policies, and procedures regarding the ordering of supplies and/or services contemplated by this Master Agreement.

 - 7.5.2** Notwithstanding the previous, Orders must also comply with the terms of the applicable Participating Addendum, which may further restrict the period during which Orders may be placed or delivered.
 - 7.5.3** Financial obligations of Purchasing Entities payable after the current applicable fiscal year are contingent upon agency funds for that purpose being appropriated, budgeted, and otherwise made available.
 - 7.5.4** Notwithstanding the expiration, cancellation or termination of this Master Agreement, Contractor shall perform in accordance with the terms of any Orders then outstanding at the time of such expiration or termination. Contractor shall not honor any Orders placed after the expiration, cancellation, or termination of this Master Agreement, or in any manner inconsistent with this Master Agreement's terms.
 - 7.5.5** Orders for any separate indefinite quantity, task order, or other form of indefinite delivery order arrangement priced against this Master Agreement may not be placed after the expiration or termination of this Master Agreement, notwithstanding the term of any such indefinite delivery order agreement.

11.8 Force Majeure. Neither party to this Master Agreement shall be held responsible for delay or default caused by fire, riot, unusually severe weather, other acts of God, or acts of war which are beyond that party's reasonable control. The Lead State may terminate this Master Agreement upon determining such delay or default will reasonably prevent successful performance of the Master Agreement.

11.9 Defaults and Remedies

11.9.1 The occurrence of any of the following events will be an event of default under this Master Agreement:

11.9.1.1 Nonperformance of contractual requirements;

11.9.1.2 A material breach of any term or condition of this Master Agreement;

11.9.1.3 Any certification, representation or warranty by either party in response to the solicitation or in this Master Agreement that proves to be untrue or materially misleading;

11.9.1.4 Institution of proceedings under any bankruptcy, insolvency, reorganization or similar law, by or against either party, or the appointment of a receiver or similar officer for either party or any of its property, which is not vacated or fully stayed within thirty (30) calendar days after the institution or occurrence thereof; or

11.9.1.5 Any default specified in another section of this Master Agreement.

11.9.2 Upon the occurrence of an event of default, the non-breaching party shall issue a written notice of default, identifying the nature of the default, and providing a period of thirty (30) calendar days in which the breaching party shall have an opportunity to cure the default. The non-breaching party shall not be required to provide advance written notice or a cure period and may immediately terminate this Master Agreement in whole or in part if the non-breaching party, in its sole discretion, determines that it is reasonably necessary to preserve public safety or prevent immediate public crisis. Time allowed for cure will not diminish or eliminate the breaching party's liability for damages, including liquidated damages to the extent provided for under this Master Agreement.

11.9.3 If the breaching party is afforded an opportunity to cure and fails to cure the default within the period specified in the written notice of default, the breaching party shall be in breach of its obligations under this Master Agreement and the non-breaching party shall have the right to exercise any or all of the following remedies:

11.9.3.1 Any remedy provided by law;

11.9.3.2 Termination of this Master Agreement and any related Contracts or portions thereof;

11.9.3.6 Withholding of payment until the default is remedied.

11.9.4 Unless otherwise specified in the Participating Addendum, in the event of a default under a Participating Addendum, a Participating Entity shall provide a written notice of default as described in this section and shall have all of the rights and remedies under this paragraph regarding its participation in the Master Agreement, in addition to those set forth in its Participating Addendum. Unless otherwise specified in an Order, a Purchasing Entity shall provide written notice of default as described in this section and have all of the rights and remedies under this paragraph and any applicable Participating Addendum with respect to an Order placed by the Purchasing Entity. Nothing in these Master Agreement Terms and Conditions will be construed to limit the rights and remedies available to a Purchasing Entity under the applicable commercial code.

11.10 Waiver of Breach. Failure of the Lead Entity, Participating Entity, or Purchasing Entity to declare a default or enforce any rights and remedies will not operate as a waiver under this Master Agreement, any Participating Addendum, or any Purchase Order. Any waiver by the Lead Entity, Participating Entity, or Purchasing Entity must be in writing. Waiver by the Lead State or Participating Entity of any default, right or remedy under this Master Agreement or Participating Addendum, or by Purchasing Entity with respect to any Purchase Order, or breach of any terms or requirements of this Master Agreement, a Participating Addendum, or Purchase Order will not be construed or operate as a waiver of any subsequent default or breach of such term or requirement, or of any other term or requirement under this Master Agreement, any Participating Addendum, or any Purchase Order.

11.11 Debarment. The Contractor certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in public procurement or contracting by any governmental department or agency. This certification represents a recurring certification made at the time any Order is placed under this Master Agreement. If the Contractor cannot certify this statement, attach a written explanation for review by the Lead State.

11.12 No Waiver of Sovereign Immunity

11.12.1 In no event shall this Master Agreement, any Participating Addendum or any contract or any Purchase Order issued thereunder, or any act of the Lead Entity, a Participating Entity, or a Purchasing Entity be a waiver of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the Eleventh Amendment to the Constitution of the United States or otherwise, from any claim or from the jurisdiction of any court.

11.12.2 This section applies to a claim brought against the Participating Entities who are states only to the extent Congress has appropriately abrogated the state's sovereign immunity and is not consent by the state to be sued in federal court. This section is also not a waiver by the state of any form of immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

11.13 Governing Law and Venue

11.13.1 The procurement, evaluation, and award of the Master Agreement shall be governed by and construed in accordance with the laws of the Lead Entity sponsoring and administering the procurement. The construction and effect of the Master Agreement

after award shall be governed by the law of the state serving as Lead State. The construction and effect of any Participating Addendum or Order against the Master Agreement shall be governed by and construed in accordance with the laws of the Participating Entity's or Purchasing Entity's State.

11.13.2 Unless otherwise specified in the RFP, the venue for any protest, claim, dispute or action relating to the procurement, evaluation, and award is in the Lead State. Venue for any claim, dispute or action concerning the terms of the Master Agreement shall be in the state serving as Lead State. Venue for any claim, dispute, or action concerning any Order placed against the Master Agreement or the effect of a Participating Addendum shall be in the Purchasing Entity's State.

11.13.3 If a claim is brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for (in decreasing order of priority): the Lead Entity for claims relating to the procurement, evaluation, award, or contract performance or administration if the Lead Entity is a party; a Participating State if a named party; the state where the Participating Entity or Purchasing Entity is located if either is a named party.

11.14 Assignment of Antitrust Rights. Contractor irrevocably assigns to a Participating Entity who is a state any claim for relief or cause of action which the Contractor now has or which may accrue to the Contractor in the future by reason of any violation of state or federal antitrust laws (15 U.S.C. § 1-15 or a Participating Entity's state antitrust provisions), as now in effect and as may be amended from time to time, in connection with any goods or services provided in that state for the purpose of carrying out the Contractor's obligations under this Master Agreement or Participating Addendum, including, at the Participating Entity's option, the right to control any such litigation on such claim for relief or cause of action.

XII. Indemnification

12.1 General Indemnification. The Contractor shall defend, indemnify and hold harmless NASPO, NASPO Cooperative Purchasing Organization LLC (doing business as NASPO ValuePoint), the Lead State, Participating Entities, and Purchasing Entities, along with their officers and employees, from and against third-party claims, damages or causes of action including reasonable attorneys' fees and related costs for any death, injury, or damage to tangible property arising from the gross negligence or intentional misconduct of the Contractor, its employees or subcontractors or volunteers, at any tier, relating to the performance under the Master Agreement.

12.2 Intellectual Property Indemnification. Contractor shall defend, indemnify and hold harmless NASPO, NASPO Cooperative Purchasing Organization LLC (doing business as NASPO ValuePoint), the Lead State, Participating Entities, Purchasing Entities, along with their officers and employees ("Indemnified Party"), from and against claims, damages or causes of action including reasonable attorneys' fees and related costs arising out of the claim that the Product or its use, infringes Intellectual Property rights ("Intellectual Property Claim") of another person or entity.

12.2.1 The Contractor's obligations under this section shall not extend to any combination of the Product with any other product, system or method, unless the Product, system or method is:

12.2.1.1 Provided by the Contractor or the Contractor's subsidiaries or affiliates;

12.2.1.2 Specified by the Contractor to work with the Product; or

12.2.1.3 Reasonably required, in order to use the Product in its intended manner, and the infringement could not have been avoided by substituting another reasonably available product, system or method capable of performing the same function; or

12.2.1.4 Reasonably expected to use the Product in combination with such product, system or method.

12.2.2 The Indemnified Party shall notify the Contractor within a reasonable time after receiving notice of an Intellectual Property Claim. Even if the Indemnified Party fails to provide reasonable notice, the Contractor shall not be relieved from its obligations unless the Contractor can demonstrate that it was prejudiced in defending the Intellectual Property Claim resulting in increased expenses or loss to the Contractor. If the Contractor promptly and reasonably investigates and defends any Intellectual Property Claim, it shall have control over the defense and settlement of it. However, the Indemnified Party must consent in writing for any money damages or obligations for which it may be responsible. The Indemnified Party shall furnish, at the Contractor's reasonable request and expense, information and assistance necessary for such defense. If the Contractor fails to vigorously pursue the defense or settlement of the Intellectual Property Claim, the Indemnified Party may assume the defense or settlement of it and the Contractor shall be liable for all costs and expenses, including reasonable attorneys' fees and related costs, incurred by the Indemnified Party in the pursuit of the Intellectual Property Claim. Unless otherwise agreed in writing, this section is not subject to any limitations of liability in this Master Agreement or in any other document executed in conjunction with this Master Agreement.

XIII. Limitation on Liability

13.1 Limitation. Neither party will be liable for any incidental, special, punitive, exemplary, indirect, or consequential damages of any kind (including loss of profits), regardless of whether or not the other party was aware or should have been aware of the possibility of such damages. Each party's maximum liability arising out of or relating to this agreement, regardless of the cause of action (whether in contract, tort, breach of warranty or otherwise), will not exceed the total amount paid and payable by entity hereunder during the 12-month period immediately preceding the date on which such loss, damage, injury, claim, cost or expense occurred. The foregoing limitations shall not apply to Contractor's indemnification obligations under Section XII of this Master Agreement.

“**SCCs**” means the standard contractual clauses approved by the European Commission Implementing Decision of 4 June 2021 (C/2021/3972) (without any clauses marked as optional) and any amendments to, or replacements of, those clauses. The SCCs may take the form of: a controller-to-controller agreement (“**C-to-C SCCs**”) in which case they will include the text from Module One; a controller-to-processor agreement (“**C-to-P SCCs**”) in which case they will include the text from Module Two (with Option 2 and a period of 30 days selected for paragraph 9(a)); or a processor-to-controller agreement (“**P-to-C SCCs**”) in which case they will include the text from Module Four. The SCCs as described in the preceding sentences are modified for certain European Jurisdictions as follows: (a) for transfers of Personal Data subject to the FADP, any reference in the SCCs to the GDPR will refer to the FADP, the term ‘member state’ must not be interpreted in a way as to exclude Data Subjects in Switzerland from the possibility of enforcing their rights in their place of habitual residence in accordance with clause 18(c) of the SCCs, and the SCCs will also protect the data of legal persons until the entry into force of the revised FADP; and (b) for transfers of Personal Data subject to the UK GDPR, the SCCs have the UK Addendum appended to them. The “**UK Addendum**” means the International Data Transfer Addendum to the EU Commission Standard Contractual clauses, version B1.0, in force 21 March 2022, issued by the Information Commissioner’s Office, and any amendments to, or replacements of, that addendum. The details of the SCCs and the UK Addendum as they apply between the parties, including governing law, forum, jurisdiction, and the contents of their annexes or tables, are set out at Annexes I and II to this DPA.

“**Services**” means background screening, identity, or other services performed by Sterling under the Agreement.

“**Subprocessor**” means an entity that Processes Personal Data on behalf of Sterling. While the term ‘Subprocessor’ is used in this DPA for convenience, a Subprocessor may factually be a Processor or a Controller depending on the nature of the Processing it performs.

“**Third-Party Request**” means a request, complaint, demand, notice or other communication one party receives from a Data Subject, Authority or other third party relating to the other party’s obligations under, or compliance with, Applicable Law, other than communications that are necessary to provide the Services.

“**Third-Party Source**” means a source of Personal Data, or its agent, from which Sterling or a Subprocessor collects Personal Data for the performance of the Services. Third-Party Sources include, without limitation, Authorities, credit or consumer reporting agencies, data aggregation services, employers, educational institutions, professional and personal references, media organizations, social media platforms, and professional associations.

“**US Privacy Laws**” means the Connecticut Act Concerning Personal Data Privacy and Online Monitoring, the Virginia Consumer Data Protection Act, the Colorado Privacy Act, the Utah Consumer Privacy Act, the California Consumer Privacy Act of 2018, and the California Privacy Rights Act of 2020 (“**CPRA**”), and any other comprehensive privacy law in the United States of America (“**US**”) which contains an exemption for FCRA-regulated data which is substantially similar to the exemptions found in the laws cited above.

2. Roles of the Parties and Compliance

- 2.1. This DPA is global in scope. Any reference to European Law, US Privacy Laws, or another jurisdiction-specific legal or regulatory framework, will apply only to the extent it is applicable to the Processing and will otherwise be inoperative.
- 2.2. In general, the parties consider that Client is a Controller and Sterling is a Processor of Personal Data, except as set out in the following paragraphs 2.2 and 2.3.
- 2.3. Notwithstanding the preceding paragraph 2.1, if any of the following is true, then the parties consider that both parties are Controllers of Personal Data: (a) Sterling has specific authorization under Applicable Law or an agreement with a relevant Authority to act as an intermediary in carrying out criminal record checks (including, without limitation, when Sterling conducts criminal record checks in the UK, Canada, Australia and New Zealand); (b) Sterling acts as a ‘consumer reporting agency’ (or similar) subject to the FCRA or other consumer reporting laws in the US or Canada; or (c) Sterling acts as a private investigator or private detective subject to US or Dutch private investigation laws.
- 2.4. Notwithstanding the preceding paragraphs 2.1 and 2.2, the parties consider that Sterling or the relevant Subprocessor is the sole Controller in the context of Consumer-Directed Processing. The terms of the Agreement and this DPA will not apply to Consumer-Directed Processing, which will instead be governed by the terms agreed between the Data Subject and Sterling or the relevant Subprocessor. As between the parties, Sterling is solely responsible for compliance with Applicable Laws as they apply to Consumer-Directed Processing.
- 2.5. Each party shall comply with its obligations under Applicable Law in using and performing the Services.
- 2.6. On Client’s request and subject to any limitations set out in this DPA, Sterling shall provide reasonable assistance to Client in meeting its data protection obligations under Applicable Law, taking into account the nature of the Processing and the information available to Sterling. This may include, without limitation, participation in security or data protection impact assessments, audits, Incident Response Activities, and responses to, and fulfillment of, requests or inquiries from Data Subjects or Authorities.

- 2.7. The parties acknowledge that Sterling's performance, and Client's use, of the Services are exempt from US Privacy Laws to the extent they constitute the collection, maintenance, disclosure, sale, communication, or use of any Personal Data bearing on a consumer's credit worthiness, credit standing, credit capacity, character, general reputation, personal characteristics, or mode of living by a 'consumer reporting agency' or by a 'user' of a 'consumer report', as each of those terms is defined or used in the FCRA.
- 2.8. If European Law applies, Sterling shall immediately inform Client if Sterling believes any instruction from Client violates data protection provisions of European Law.
- 2.9. Each party shall promptly, and in any event within five business days, inform the other if it determines it can no longer comply with its obligations under this DPA or Applicable Law in its performance or use of the Services.

3. Processing

- 3.1. The subject matter, nature, purpose and duration of the Processing, the types of Personal Data, and the Data Subjects are listed in Annex I. The terms of this DPA will apply as long as Sterling or a Subprocessor Processes Personal Data.
- 3.2. Subject to the more specific provisions set out in the following paragraphs 3.3 and 3.4, Sterling shall not Process Personal Data except as necessary to: (a) provide the Services as documented in the Agreement and this DPA; (b) comply with Client's otherwise documented instructions, subject to the terms of the Agreement and this DPA; or (c) comply with Sterling's obligations under Applicable Law or contractual agreements with Third-Party Sources arising from the provision of Services.
- 3.3. If European Law applies and Sterling, acting as a Processor, is required by Applicable Law to Process Personal Data outside of Client's documented instructions, then Sterling shall inform Client of that legal requirement before Processing, unless European Law prohibits that information on important grounds of public interest.
- 3.4. If US Privacy Laws apply and Sterling acts as a Processor, the Agreement and this DPA are intended to set out the instructions for Processing and the rights and obligations of the parties. The parties acknowledge that Personal Data that is disclosed to Sterling under the Agreement is for the limited business purposes which are specified in detail in the Agreement. Notwithstanding anything to the contrary in the Agreement or this DPA, when Sterling Processes Personal Data subject to US Privacy Laws: (a) Sterling shall not 'sell' or 'share' that Personal Data as those terms are defined in the CPRA; (b) Sterling shall not retain, use, or disclose that Personal Data for any purpose other than those specified in the Agreement, except as permitted by US Privacy Laws; (c) Sterling shall not retain, use or disclose that Personal Data for any commercial purpose other than the business purposes specified in the Agreement, including the servicing of a different business, unless expressly permitted by US Privacy Laws; (d) Sterling shall not retain, use or disclose that Personal Data outside the direct business relationship between Sterling and Client, unless expressly permitted by US Privacy Laws (for example, Sterling shall not combine or update that Personal Data with data received from another source unless expressly permitted by US Privacy Laws); (e) Sterling shall not combine that Personal Data with other data received from third parties except as directed by Client; (f) Sterling shall comply with all sections of US Privacy Laws applicable to a Processor; and (g) Client may, upon notice to Sterling and subject to limitations set out in this DPA, take reasonable and appropriate steps to help ensure that Sterling uses that Personal Data in a manner consistent with Client's obligations under US Privacy Laws, and to stop and remediate unauthorized use of that Personal Data. Sterling hereby certifies that it understands the restrictions set out in this paragraph and will comply with them.

4. Subprocessing

- 4.1. Client hereby authorizes Sterling to use Subprocessors, provided that: (a) Sterling shall maintain a complete and up-to-date list of Subprocessors at www.sterlingcheck.com/subprocessors or another location as communicated by Sterling to Client from time to time, and shall notify Client by email (subject to Client's subscription to these notifications through the form co-located with the list of Subprocessors) of additions or replacements to that list at least 30 calendar days before they take effect, or, if a more rapid change is necessary to ensure continuity of Services, as far in advance as reasonably possible in the circumstances; (b) Sterling shall sign a written agreement with each Subprocessor that imposes obligations on that Subprocessor that are no less stringent than those required of Sterling under Applicable Law and this DPA; (c) Sterling will not be relieved of any of its obligations under this DPA by engaging Subprocessors; and (d) Sterling is responsible for Subprocessors' compliance, and liable for their non-compliance, with this DPA.
- 4.2. The following only apply when Sterling, acting as a Processor, uses Subprocessors to Process Personal Data that is subject to European Law or US Privacy Laws: (a) if Client notifies Sterling of an objection to Processing by a Subprocessor on reasonable grounds relating to data protection, Sterling shall not permit further Processing of Personal Data by that Subprocessor and the parties shall work in good faith to resolve the objection; and (b) Client's objection to Processing by a Subprocessor will be deemed to be Client's waiver of Sterling's obligation to perform Services that Sterling would ordinarily perform using that Subprocessor.

5. Cross-Border Data Transfers

- 5.1. Sterling and Client shall cooperate to ensure that appropriate notice to Data Subjects and safeguards or other legal mechanisms for cross-border data transfers are in place as required by Applicable Law, including conducting transfer impact assessments and implementing supplementary safeguards, if applicable.
- 5.2. If Sterling Processes Personal Data that is subject to European Law and transfers that Personal Data to a Subprocessor outside the relevant Adequate Protection Area, then Sterling shall either: (a) ensure that duly approved binding corporate rules apply to that transfer; or (b) sign relevant SCCs with that Subprocessor for Client's benefit.
- 5.3. If Client is in a European Jurisdiction (or another jurisdiction which recognizes the SCCs as a mechanism for cross-border data transfers) and Sterling is outside the relevant Adequate Protection Area, the parties hereby agree to the SCCs and incorporate them into this DPA by reference as follows: (a) If Client transfers Personal Data to Sterling acting as a Processor, then Client agrees as data exporter and Sterling agrees as data importer to the C-to-P SCCs; (b) If Client transfers Personal Data to Sterling acting as a Controller, then Client agrees as data exporter and Sterling agrees as data importer to the C-to-C SCCs; (c) the terms of the relevant SCCs will prevail over conflicting or inconsistent terms in this DPA to the extent of the conflict or inconsistency; and (d) the parties shall execute the SCCs separately from this DPA on either party's request.
- 5.4. If Sterling is in a European Jurisdiction (or another jurisdiction which recognizes the SCCs as a mechanism for cross-border data transfers) and Client is outside the relevant Adequate Protection Area, the parties hereby agree to the SCCs and incorporate them into this DPA by reference as follows: (a) If Sterling, acting as a Processor, transfers Personal Data to Client, then Sterling agrees as data exporter and Client agrees as data importer to the P-to-C SCCs; (b) If Sterling, acting as a Controller, transfers Personal Data to Client, then Sterling agrees as data exporter and Client agrees as data importer to the C-to-C SCCs; (c) the terms of the relevant SCCs will prevail over conflicting or inconsistent terms in this DPA to the extent of the conflict or inconsistency; and (d) the parties shall execute the SCCs separately from this DPA on either party's request.
- 5.5. If the nature of the Services requires Sterling to transfer Personal Data that is subject to European Law to a Third-Party Source outside of the relevant Adequate Protection Area, then Sterling shall only transfer that Personal Data upon Client's documented instruction. Client's request for Services that require such a transfer, for example to collect or verify data about a Data Subject's current or past residence, education or professional activities outside of the relevant Adequate Protection Area, will be deemed to be Client's documented instruction for that transfer. Unless the parties determine that another mechanism or derogation under European Law applies, Sterling and Client shall cooperate to obtain the Data Subject's prior explicit and informed consent for transfers described in this section.

6. Security Controls

- 6.1. Sterling shall not authorize any person to Process Personal Data unless that person is subject to appropriate confidentiality obligations.
- 6.2. Sterling shall implement, maintain and enforce appropriate administrative, technical and physical measures designed to protect the security, integrity, confidentiality and availability of Personal Data, assist Client in meeting its obligations to protect Personal Data, protect Personal Data against a Data Incident, and respond to a Data Incident, considering the likelihood and severity of a potential Data Incident. Sterling shall review and, if appropriate, update these measures periodically to comply with Applicable Law. Sterling shall regularly test these measures for effectiveness.
- 6.3. General information about the measures in place at the Effective Date is in Annex II. Sterling shall not materially degrade the level of protection for Personal Data.

7. Data Incidents

- 7.1. If Sterling becomes aware of a Client Incident, it shall notify Client without undue delay and provide information and support as reasonably requested by Client to support Client's response to the Client Incident. Client shall bear the costs of all Incident Response Activities in case of a Client Incident.
- 7.2. On discovery of a Data Incident, Sterling shall, at its own expense, promptly carry out all appropriate and necessary Incident Response Activities, subject to the more detailed procedures set out in the following paragraphs 7.3 and 7.4.
- 7.3. Sterling shall notify Client of a Reportable Data Incident by telephone or email without undue delay, and in any event within a timeline that permits the parties to comply with Applicable Law (Client may at any time notify Sterling of a notification timeline imposed on it by Applicable Law, in which case Sterling shall thereafter take all reasonable steps to ensure that timeline can be met if it applies in the circumstances), and provide the following information, to the extent known: (a) the nature and likely consequences of the Data Incident; (b) the affected Personal Data and Data Subjects; (c) the Incident Response Activities that Sterling has carried out or proposes to carry out; (d) Sterling's assessment of the risks generated by the Data Incident; and (e) contact information to allow Client to obtain more information.

- 7.4. Sterling shall, at its own expense, notify Data Subjects or Authorities, or provide remediation services to Data Subjects including, without limitation, credit or identity monitoring or restoration, following a Reportable Data Incident as follows: (a) if these activities are required by Sterling's obligations under Applicable Law, then Sterling shall carry them out after giving Client as much advance notice as is reasonably possible in the circumstances; (b) if these activities are required by Client's obligations under Applicable Law, then Sterling shall carry them out on Client's request; or (c) if these activities are required by both parties' obligations under Applicable Law, or if they are not required but the parties agree that these activities are reasonable and appropriate in the circumstances, then Sterling shall carry them out, subject to Client's prior approval of the content and timing of the activities, not to be unreasonably conditioned or withheld.
- 7.5. To the extent permitted by Applicable Law, neither party shall name the other party in any communication to the public or a third party, including an Authority, concerning a Data Incident or a Client Incident without the named party's prior written approval. Each party shall coordinate with the other party in good faith on the content and timing of the other party's intended communications regarding a Data Incident or Client Incident.

8. Data Retention and Destruction

- 8.1. Sterling may retain Personal Data as necessary to comply with its Retention Obligations. Sterling shall provide details of its Retention Obligations to Client on request.
- 8.2. Once Retention Obligations are met, subject to the delay required to comply with section 8.4, Sterling shall delete Personal Data on the earlier of either: (a) Client's instruction; or (b) if Sterling is a Processor, termination or expiration of the Agreement. On Client's request, Sterling shall certify in writing to Client that it has deleted Personal Data.
- 8.3. Notwithstanding anything to the contrary in this DPA or the Agreement, the parties agree that Sterling does not intend, and makes no guarantee, to retain Personal Data for more than seven years after the date Sterling received it. Client hereby authorizes Sterling to delete Personal Data after that time has passed.
- 8.4. On termination or expiration of the Agreement or before Sterling deletes Personal Data, whichever is earlier, Sterling shall, either: (a) give Client a reasonable opportunity to retrieve Personal Data from Sterling's systems; or (b) provide Personal Data to Client in a machine-readable format, subject to reasonable additional charge for custom data formatting and transmission, to be agreed between the parties in advance.

9. Audit and Inspection

- 9.1. On Client's request, Sterling shall make available to Client all information reasonably necessary to demonstrate Sterling's compliance with this DPA and Applicable Law, which may include independent third-party audit reports, if available.
- 9.2. If, in Client's reasonable opinion, independent third-party audit reports provided by Sterling are insufficient to demonstrate Sterling's compliance with this DPA and Applicable Law, or if otherwise required to allow Client to comply with Applicable Law, Client or another party of Client's choosing may conduct, and Sterling shall cooperate with, an audit or assessment (which may include an inspection) of Sterling's compliance with this DPA and Applicable Law, provided that: (a) Client shall not request more than one audit or assessment per calendar year, except as otherwise stated in this DPA; (b) Client shall give Sterling reasonable notice of an audit or assessment, shall ensure that the audit or assessment is conducted at a mutually agreeable time, and shall ensure that the audit or assessment does not unreasonably interfere with Sterling's operations; and (c) access to Sterling's facilities and confidential information will be subject to reasonable confidentiality provisions.
- 9.3. If, during an audit or assessment, Client discovers non-compliance with this DPA or Applicable Law, Client and Sterling shall work in good faith to agree on a remediation plan and timeline, which Sterling shall carry out at its own expense.
- 9.4. Subject to the requirements and limitations in 9.2(b) and 9.2(c), Client may conduct: (a) one additional audit or assessment in each calendar year in response to each Data Incident; and (b) additional audits or assessments as may be reasonably necessary to comply with Applicable Law or the order of an Authority.
- 9.5. Each party shall bear its own expenses in conducting or participating in an audit or assessment.

10. Data Subjects' Rights and Third-Party Requests

- 10.1. Client shall provide a notice or disclosure to, and, if necessary, collect consent or authorization from, Data Subjects for the transfer of Personal Data to Sterling and the Processing of Personal Data by Sterling as required by Applicable Law. Sterling may make available to Client its systems or sample text for these purposes. Client acknowledges that its use of Sterling's systems or sample text does not relieve Client of its responsibility for compliance with notice, disclosure, authorization, and consent provisions in Applicable Law.
- 10.2. Sterling shall respond to Data Subjects who communicate with Sterling directly or are referred to Sterling by Client to: (a) inquire about Sterling's Processing of Personal Data; or (b) exercise the Data Subject's rights to access or correct Personal Data. Sterling shall respond to these communications in accordance with Applicable Law. Sterling shall inform Client of the existence, content, and handling of these communications on Client's request.

- 10.3. Except as set out in the preceding two paragraphs 10.1 and 10.2 or required by Applicable Law, each party shall: (a) notify the other party of all Third-Party Requests without undue delay; (b) provide information and assistance to the other party as it reasonably requests to allow the other party to respond to Third-Party Requests; and (c) not respond directly to Third-Party Requests except as directed by the other party.
- 10.4. If the CPRA applies and Sterling is a Processor, then Client shall inform Sterling of any Data Subject request made pursuant to the CPRA with which the parties must comply, and Client shall provide the information necessary for Sterling to comply with the request.

11. Data Claims

- 11.1. Each party (the "**Indemnifying Party**") shall indemnify the other party, its affiliates, employees, officers, directors, contractors, Subprocessors, partners and shareholders (the "**Indemnified Party**"), from and against any Data Claim, proportionate to the Indemnifying Party's part of responsibility (as between the parties) for the infringement, Data Incident or Client Incident giving rise to the Data Claim.
- 11.2. If the Authority that makes or adjudicates the Data Claim apportions liability between the parties (which may include apportionment of all liability to one party) then the parties shall accept the Authority's determination as between the parties and shall not seek any further remedy between them, without prejudice to each party's right to defend itself against or appeal the decision of the Authority.
- 11.3. Liability under this clause 11 is conditional on the Indemnified Party discharging the following obligations: (a) the Indemnified Party must notify the Indemnifying Party promptly on becoming aware of the Data Claim; (b) the Indemnified Party must take all reasonable measures to minimize the risk, and amount, of a Data Claim; and (c) the Indemnified Party must reasonably cooperate with the Indemnifying Party to defend against or otherwise respond to the Data Claim in a mutually acceptable way. Nothing in this paragraph will restrict or limit the Indemnified Party's general obligation at law to mitigate any loss it may suffer or incur due to an event that may give rise to a Data Claim.
